( ) MUTCD Traffic Detour Plan ( ) Flagger Plan ( ) Map for Long Term Closure

( ) Application Fee ( ) Other: \_\_\_\_\_

The Developer shall be responsible for the proper installation and maintenance of all traffic control signs. All locations and distances will be in adherence with the TEXAS MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES, latest edition. If in the opinion of the San Antonio River Authority Staff the condition, the quantity or the spacing of the barricades or the signs do not conform to established standards, said staff shall have the option of stopping operations until such time as the conditions are corrected. The undersigned hereby assumes all risk in this understanding, AND WILL INDEMNIFY, DEFEND AND HOLD HARMLESS the San Antonio River Authority from any and all cost, liability, or damage arising from or related to the requested closure. The developer is responsible for leaving the condition of trail to a standard that is acceptable to the San Antonio River Authority. FULL PAYMENT FOR THE PERMIT/LICENSE MUST BE PAID BEFORE THE PERMIT/LICENSE IS VALID.

Approval of no other permit is implied. The Applicant must obtain necessary permits for specific activity within the restricted area.
