San Antonio River Introduction

Blueprint Approach

- Partners:
 - International RiverFoundation
 - IW: Learn
 - Healthy Land and Water
 - Deloitte
 - University of Maryland Center for Environmental Science
- Four components:
 - River Journey
 - River Personality
 - River Resilience Report card
 - Resilient Rivers Hub

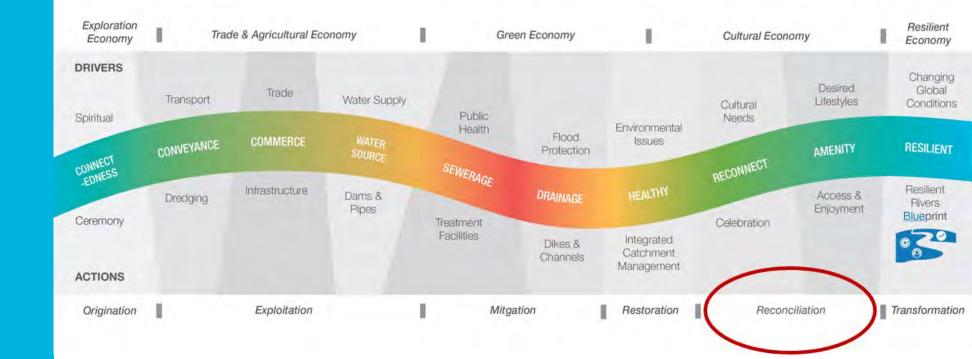

The Resilient Rivers Journey

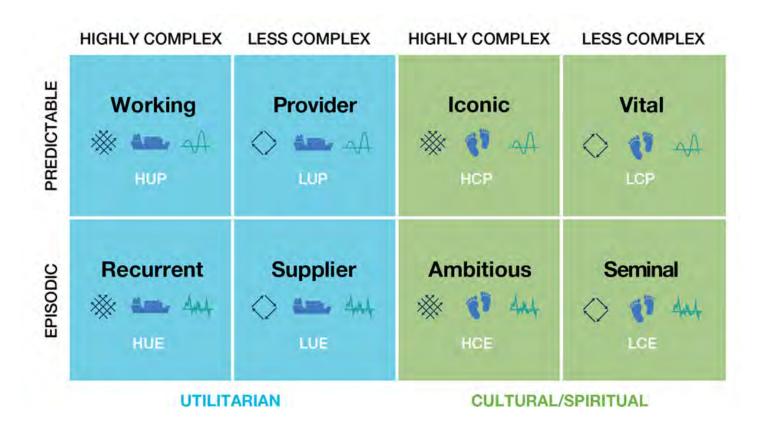

River Journey

- Survey Respondents:
 - 4 River Authority staff
 - 5 Environmental Advisory Committee members
 - Two urban
 - Three rural
- Result: All Reconciliation
 - Reconnection
 - Amenity

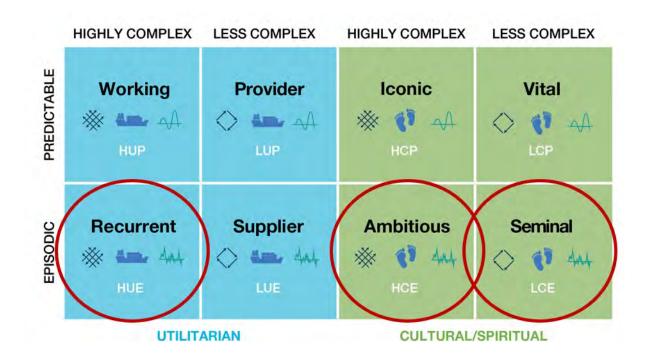

River Personality

River Personality

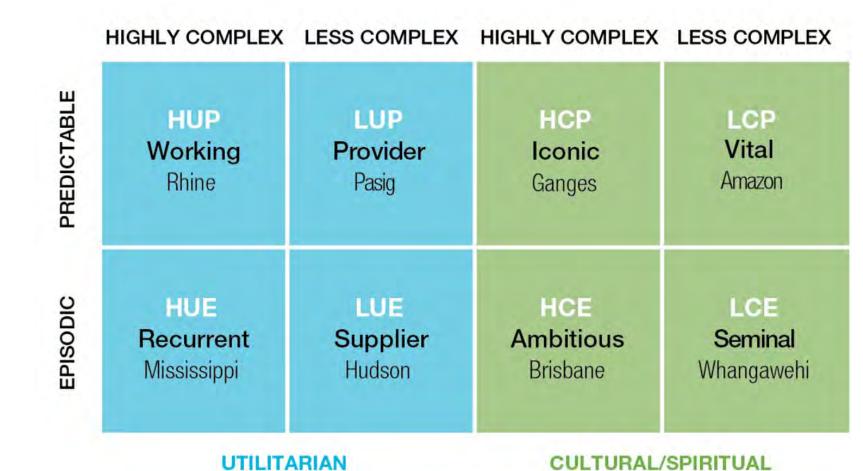

- Results:
 - All Episodic
 - Otherwise, multiple personalities:
 - 3 Utilitarian: All Recurrent
 - 6 Cultural/Spiritual:
 - 2 Ambitious
 - 4 Seminal
 - Not aligned with urban vs. rural respondents

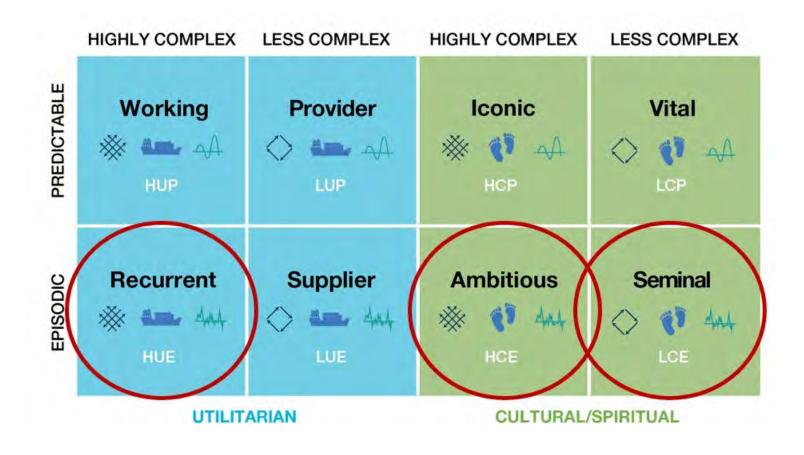

River Personality

For Comparison
